

Protection you and your family can count on.

Welcome to Military Benefit Association (MBA)

We are a nonprofit organization of military personnel and civilian employees of the United States Government and their spouses. We offer our Members an attractive package of insurance and other benefits. Established in 1956, MBA is one of the oldest and largest associations of its kind. **Like you, we're military trained.** MBA was founded by military personnel to help secure the financial future of military families. For more than 60 years, we've been privileged to help hundreds of thousands of men and women in every branch of service.

You understand what it means to put on the uniform every day to serve this great nation and what it means to have others depend on you. You provide protection and peace of mind to our country and you can do the same at home.
